

My Learning Log: Collaboration

Noticing myself collaborating

Collaboration – on the plus side	I could learn to collaborate better ...
<p>Positive things I've done in a small group ...</p>	<p>When I could have helped my group more ...</p> <p>By trying ...</p>
<p>Positive things I've done in whole-class sessions ...</p>	<p>When I could have helped the class learn better ...</p> <p>By ...</p>
<p>Positive ways I've worked in a pair ...</p>	<p>When I could have been more collaborative in a pair ...</p> <p>By ...</p>

What I've learned about myself and collaborative behaviour
