are trying to
achieve ...**

Deepen listening skills by requiring students to attend to each other and supplement what they are hearing and understanding through focused questions.

**Set up the
Learning
Challenge**

Work in pairs.
Display the Learning Challenge.
Give each pair an envelope with two drawings.

- Pairs sit back to back
- A describes one drawing to B
- B attempts to replicate it, exact in size and detail
- A must not draw in the air with fingers
- B can ask questions; A is helpful
- When finished, compare copy with original.

Swap roles using a different picture.
2 x 5 minutes
