About learning

- Learning doesn't just happen at school.
- We learn by trying things out and making mistakes.
- We all learn in different ways
- Learning is a risky business.
- Good learners say "I wonder" and "What if..."
- Learning means knowing what to do when you don't know what to do.
- Learning is a habit that we can get better at.
- We never stop learning until the day we die.

What do we mean when
we say ...

“You're never
too old to
learn.”
