

Linking Ideas — Making Links

Resourcefulness — **Making Links**

When you use this learning muscle, you ...

- look for connections between experiences or ideas
- find pleasure in seeing how things fit together, make patterns
- connect new ideas to how you think and feel already
- look for analogies in your memory that will give you a handle on something complicated

What links these pictures together?

What makes you say that?

What do we mean when we say ...

“ Chain reaction.
Two plus two
makes five. ”

What's the link between ...

Toenails

Scissors

Backache

Angels

Dandruff

Christmas

Can you make more than one link?

Draw a mind map showing how the items in your bag are linked together.

Invent some yourself.
