

A Learning Challenge – And or So

Your challenge is to ...

- To make as many links as possible between random objects

Your resources ...

- Working in groups of three
- Place the two packs of cards face down next to each other — turn over one card from each pack
- Make a link between the things on the cards
- The third person saying “And” or “So” to stimulate further linking
- Repeat “And” or “So” for AT LEAST three counts before saying: “And the story behind the link is ...”
- Now go on to the next two cards
