

# My Learning Log: Capitalising

The range of resources I’ve used this week ...

How I used my IT skills

What I learned by using the internet

The books I’ve referred to

The tools I’ve used

My own ideas for tackling a problem

Scientific equipment I’ve used

Mathematical methods I’ve used:

- In maths lessons
- Somewhere else

Something I’ve used for the first time this week

What I’ve learned about myself and how I make best use of resources around me ...  
What do I need to work at?
