Resourcing Learning (Capitalising) learning mat

I worked it out by using ____ resource

I saw how ____ worked it out and tried it myself

I watched how ____ did it

I chose a resource I hadn't used before ... and it worked.

I Picked up a good idea from a book

I tried an internet search

I found a picture that helped me understand something

I remembered a good way to tackle the problem

I...
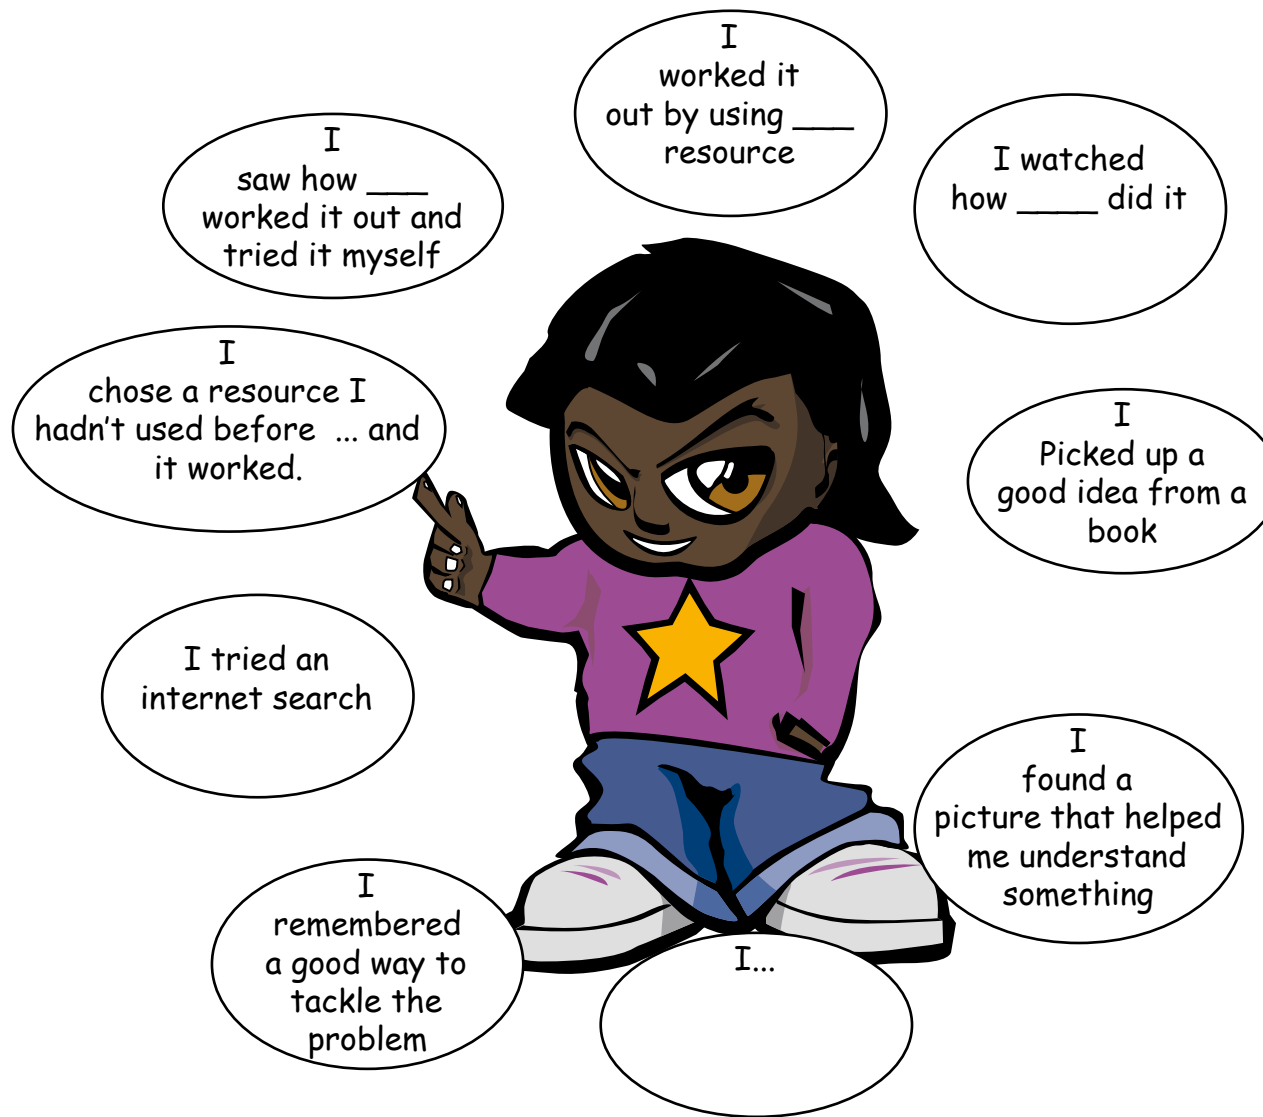

How well did I Resource my learning?
