

# Good learning habits – Resourcing Learning

| Your potentially good Resourcing Learners are likely to:   |  | Who have you spotted with these behaviours: | Your potentially good Resourcing Learners are likely to: |  | Who have you spotted with these behaviours: |
|--|--|---|--|--|---|
| Use all kinds of resources to assist learning              |   |   | Be alert to supportive opportunities                     |   |   |
| Watch others carefully                                     |   |   | Create their own learning resources                      |   |   |
| Consciously seek to imitate successful strategies          |   |   | Be keen to look things up on websites or in books        |   |   |
| Select from a wide range of strategies with discrimination |  |   | Look out for different ways of doing things              |  |   |
