

Good learning habits - Revising

Your potentially good Revisers are likely to:		Who have you spotted with these behaviours:	Your potentially good Revisers are likely to:		Who have you spotted with these behaviours:
Be flexible			Ditch ideas that are not working		
Keep an eye on how things are going			Are happy to correct and improve their work		
Be open to feedback			Have high expectations of themselves		
Want to be the best they can be			See themselves as a growing learner		
View change as an opportunity
