We showed respect to the views of others				
We were confident in each other				
We built on and developed the ideas of each other				
We had a good plan that identified what we needed to do				
We had a plan that identified the order we would do things				
We all played to our individual strengths				
We were thoughtful about how the team was performing as we were working				
We managed and resolved conflict and differences				
We were able to retain our own judgements				
We found ways to agree with each other				
We drew up comprehensive plans				
We reviewed progress regularly				
We evaluated how well we had done as a team				

Our targets for improvement:

1 = didn't do this

2 = did it a bit

3 = did it some of the time

4 = did it most of the time
