

# Perseverance Learning Mat

I willingly take on tasks that I think will be tricky

I keep going even when it is difficult

I act on feedback from my teacher

I get myself unstuck without help from my teacher

I show interest in the mistakes I make

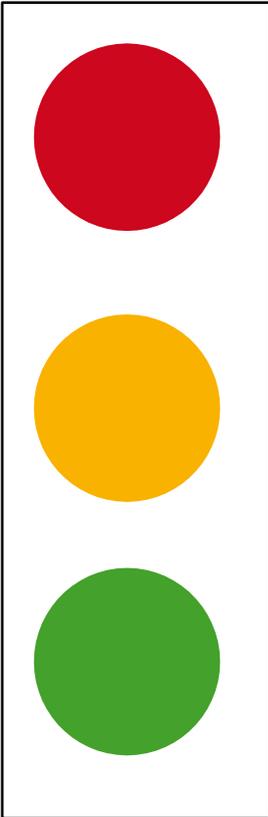

I think ahead about what I am trying to achieve

I organize myself to ensure that I am successful

I keep going with things that interest me

I believe that effort will pay off

How well do I persevere?
